# Practical tips

- ✓ If an Annex III organization joins your TCs, CCMC has to add them in the Global Directory in order to give access to documents, not ‘their NSB/NCs’ as they do not belong to a country
- ✓ There are specific rights and obligations for Annex III organizations in the CEN-CLC IR2 (eg: art. 3.2.4 on TCs Meetings, art. 11.2.1.6 on submission of draft EN to vote) and CEN-CLC Guide 25 and the Partnership Agreements
- ✓ Opinion Mechanism: CCMC will forward you the opinion and tell you how to proceed (eg: the TC/SC Secretary to upload it on the eCommittee tool (for CEN) or the Collaboration Tool (for CENELEC) and inform the TC/SC that this Opinion needs to be considered). The mechanism should become digital in the future.

- ✓ Participation in the **Governing bodies** and their working or advisory groups (General Assemblies, Administrative Boards, Policy Groups, Technical Boards,...)
- ✓ **2 dedicated Working Groups** (SME-WG ; SSG)
- ✓ Joint **Policy & Communication** actions
  - ✓ #TrustStandards
  - ✓ E-learning tools
- ✓ CEN-CENELEC **Strategy 2030**
- ✓ ...
